JSCA/RNC/166/99/2021

February 26, 2021

Name of Work: Design, engineering, manufacture, testing, packing, supply, transportation, unloading, storage, erection, testing & commissioning of LED based High Mast illumination system for Oval ground at J.S.C.A. International Stadium at H.E.C. Campus, Dhurwa, Ranchi.

SECOND CORRIGENDUM **TO NIT NO. JSCA/RNC/166/61/2021 DATED 05.02.2021**

A.

Clause 5.8, Page - 13, Part - I of Tender Document stands revised as under:

5.8 All payments to the contractor, except final payment, shall be made within 30 days of the receipt of complete invoice as per Payment terms/Billing schedule along with all necessary documents. The last payment, shall however, be made within 60 days of receipt of final invoice. All the payments to the contractor shall be made by Account Payee cheque/RTGS and all bank charges shall be borne by the contractor.

B.

Bill of Quantities (Item no. 18 Part - II on Page no. 29) of Tender Documents stands revised as under:-

Design, engineering, supply, erection, testing & commissioning of LED based luminaries conforming to the specifications and standards, complete with brackets, ballasts, cables, etc. as a replacement to 24 number Halogen based flood lights installed on existing 65m (appx) height [4 numbers Luminaires in each of 6 number of high masts] at the International Stadium in the same complex. The luminaries shall have a minimum rated output of 60,000 lumens. The scope shall include dismantling of old halogen fixtures, brackets, etc. and dismantling the old luminaires along with brackets, etc. and depositing them in Employers store.

Any cross references, shall stand amended accordingly.
